Re: Government grant for extending the Town Hall at Sira.

Sir,

In forwarding, herewith in original the records received from the President, Town Municipal Council, Sira, on the above subject, I have the honor to state as follows:-

Government were pleased to sanction as grant a sum of Rs.4014/- for the extension of the present Town Hall building at Sira in their Order No.L.6877/M1.162-42-112 dated 3-7-1943. The President states that this amount was credited to 17(a) P.W. Deposits and that the Executive Engineer has since forwarded a revised estimate for Rs. 15,000/- for the work on the basis of current rates. The Council at their meeting held on 28-11-44 have resolved that the balance of the estimate viz Rs.10,986/-(Rs.15000-4014 Government grant) be met in equal proportions by Government and the local Municipality.

I am of opinion that the extension of the present Town Hall building is absolutely necessary and as the Municipality has agreed to meet half the balance of the cost of the revised estimate, I support the resolution of the Municipal Council and request that sanction of Government may be obtained to the revised estimate and an additional grant amounting to half the enhanced cost of the work as per the revised estimate.

I have the honor to be,
sir,
Your most obedient servant,

N Mallappa

Deputy Commissioner,
Tumkur District.
